Community level estimates are based upon each community's relative share of the total Local Health Area (LHA) population and reflect what "might be expected" at the community level.

Prince George LHA and Valemount Village ^{1, 10}

This screenshot shows the Statistics Canada website interface. At the top, there is a search bar and navigation links for 'Information for...', 'Browse by subject', 'Browse by key resource', 'Help', and 'Canada.ca'. The main content area is titled 'Census Profile' and includes a sub-header 'Map: Valemount, Village (Census Subdivision), British Columbia'. Below this, there are options for 'Data table', 'Download', 'Map', 'Geographic hierarchy', 'Related data', and 'Help'. The map itself shows the Valemount Village area highlighted in green, with various streets and geographical features labeled. The website header includes the Canadian flag and the text 'Statistics Canada / Statistique Canada'.
